PALO ALTO COLLEGE - ALAMO COLLEGES  
NEW FRONTIERS PUBLIC SCHOOLS**

**AND**

**PALO ALTO COLLEGE  
ALAMO COLLEGES DISTRICT**

PALO ALTO COLLEGE (herein referred to as “the College”), a college of the ALAMO COLLEGE DISTRICT (herein referred to as “Alamo Colleges District”), and the NEW FRONTIERS PUBLIC SCHOOLS (herein referred to as the “Public Charter”), a Texas Public Charter School contracting on behalf of its Early College High School (herein referred to as the “ECHS”), enter the following Memorandum of Understanding (“MOU”) for the continuation of the Public Charter ECHS as of the 2021-2022 Academic Year. Collectively the partners are referred to as “Parties.” The Parties enter into this Agreement under the general provisions of the Interlocal Cooperation Act, Texas Government Code Chapter 791.

The purpose of this MOU is to outline the collaboration of the Parties, as listed above, in continuing the ECHS. The Public Charter will not exclude or discourage the enrollment of any of the subpopulations of at-risk students, as defined by The Public Education Information Management System (PEIMS), including, but not limited to, students who are of limited English proficiency or who have failed a state administered assessment. Enrollment decisions shall not be based on state assessment scores, discipline history, teacher recommendation, or minimum grade point average (GPA).

ECHS are innovative schools where students have the opportunity to earn a high school diploma, stackable certificates and up to 60 college credit hours or an Associate Degree. The ECHS plans to add a cohort appropriate for the school’s capacity, but not to exceed 150 students in grade 9 on a yearly basis, with a

maximum enrollment not to exceed 600 students in grades 9-12. Any material deviation from the Early College High School student enrollment parameters must be addressed in a separate Addendum. The ECHS will be located at 1400 Villaret Blvd., San Antonio, Texas 78224.

An ECHS prepares high school students for successful career and educational futures through a full integration of high school, college, and the world of work. During their attendance at the ECHS, students (herein referred to as the “ECHS Students”) are encouraged to develop a commitment to learning, a capacity for critical thinking, an understanding of their future role as community leaders, and the academic and other skills necessary to achieve success in these and other areas. The students graduating from the ECHS are encouraged to enter post-secondary education and/or training with significant advanced standing. The Alamo Colleges District Principles on Dual Credit & Early College Partnerships, attached as **Exhibit A**, provide a framework for a collaborative approach for academic and community partnerships.

## **1. TERM**

The Initial Term of this MOU shall be August 1, 2021– July 31, 2022. Effectiveness is subject to approval of the ECHS re-designation by the Texas Education Agency (“TEA”), any additional approvals that may be required by the Texas Higher Education Coordinating Board (“THECB”), any annual approval as required by law or by the TEA or the THECB. An additional condition precedent to a Party's commitment to this MOU is approval of the MOU, or at least its form and Parties, by that Party's governing board. Upon mutual written agreement by the Parties by the end of each December an approval as may be required by the Parties' governing boards, TEA, and THECB, this MOU may be extended until such time as a new MOU is issued and executed. As used in this MOU, the term "Term" shall mean the Initial Term or such shorter period of time in the event of termination of this MOU.

## **2. APPLICABLE LAW**

The Parties agree to operate the ECHS in compliance with the applicable federal, state, and local laws, implementing regulations, executive orders, and interpreting authorities, including, without limitation: (a) the following federal statutes as may be amended: Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act; Title IX of the Education Amendments of 1974; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; the Americans with Disabilities Act; the Family Educational Rights and Privacy Act of 1974 (“FERPA”); Title IV of the Higher Education Act of 1965; and the Individuals with Disabilities in Education Act; (b) the Texas constitution; (c) applicable provisions of the Texas Education Code, including, without limitation, Section 28.009 – College Credit Program, Section 29.908 – Early College Education Program and Chapter 39 – Public School System Accountability; (d) State and federal laws regarding the reporting of any and all alleged child abuse, school-related crimes, and sexual molestation of students; (e) State record retention laws; (f) applicable provisions of Title 19 of the Texas Administrative Code, including, without limitation, Chapter 4, Subchapters D and G; Section 102.1091; and Chapters 110-125; (g) TEA guidelines and requirements, including the Student Attendance Accounting Handbook (“Attendance Handbook”) and the Financial Accountability System Resource Guide; (h) THECB guidelines and requirements, including, without limitation, course conformity in accordance with the Lower Division Academic Course Guide Manual (“LDACGM”) and the Workforce Education Course Manual (“WECM”); and (i) all applicable

requirements of the Southern Association of Colleges and Schools Commission on Colleges (“SACSCOC”).

The Parties agree to operate the ECHS in compliance with applicable College and Public Charter board policies and procedures and policies and procedures that may be agreed upon by the Parties and approved for the ECHS. The Parties agree to comply with all assurances in the Program application submitted to TEA and any additional requirements for the Program adopted by the THECB. The foregoing as set forth in this Section 2 and any other laws, rules, and guidelines applicable to the subject matter of this MOU, including, without limitation, the requirements of accrediting authorities, collectively, shall be referred to as "Applicable Law" when used herein.

### **3. REPORTING**

The 86th Texas Legislative Session passed SB 502 that requires the College to submit an annual report to the THECB and the Texas Legislature by not later than March 1 of each year describing any courses in the Lower-Division Academic Course Guide Manual (“ACGM”) or its successor adopted by the coordinating board for which a student who transfers to the institution from another institution of higher education is not granted:

- (1) academic credit at the receiving institution; or
- (2) if the student has declared a major and has not changed majors, academic credit toward the student’s major at the receiving institution.

A report required by this section must indicate:

- (1) the course name and type;
- (2) which institution of higher education provided academic credit for the course; and
- (3) the reason why the receiving institution did not grant academic credit for the course.

A report on courses taken by students who, during the preceding academic year, transferred to a general academic teaching institution or earned an associate degree at the college. The report must include the total number of:

- (1) courses attempted and completed at the college, including the total number of semester credit hours for those courses, disaggregated by whether the course is in:
  - (A) the Workforce Education Course Manual or its successor adopted by the coordinating board; or
  - (B) the Lower-Division Academic Course Guide Manual or its successor adopted by the coordinating board;

### **4. DISABILITY SUPPORT SERVICES**

College disability support services are provided to students attending classes at the College site or online and may include special testing arrangements, appropriate adaptive technologies, scribes, and note-taking services. The College is neither able nor required to provide the level of disability

support services required by the public-school system. Therefore, an ECHS Student requiring disability support services may have differing levels of assistance from the Public Charter and College. For an ECHS Student to receive disability support services at the College, the ECHS Student must first self-identify and make a request for accommodations due to disability and complete, or have completed, the College's request for disability services form. The ECHS Student, ECHS Counselor or designee must provide documentation to support the request for disability such as a 504 plan, IEP or any other supporting documentation, for the College to consider. Should the 504 plan, IEP or any other supporting documentation not provide adequate information to determine the impact of the disability and to identify appropriate accommodations, the College Disability Support Services (DSS) office may require additional documents to provide needed clarification. The College DSS office will review said documentation and will produce one or more official College accommodation letters for the ECHS Student. The accommodation letters will be given to the ECHS Student and may be given to the Public Charter ECHS Counselor or designee, if requested. All parties agree to maintain the confidentiality, privacy, and protected status of the documents exchanged. The College DSS office will also provide the letters to the Student's respective faculty members. Accommodations required by state law or Public Charter policy exceeding those applicable to College, if any, shall be the responsibility of the Public Charter.

## **5. GOVERNANCE**

- a. The ECHS established under this MOU will be governed by Applicable Law. The Public Charter shall apply to the Texas Education Agency for the establishment and continual approval of an ECHS designation. The Public Charter will take the lead in any reporting requirements to TEA and will serve as the fiscal agent. The College will take the lead in notifying and/or preparing prospectus documentation and accompanying request for approval for substantive changes to SACSCOC, as well as any reporting that the THECB may require.
  
- b. An ECHS Steering Committee will meet at least twice a year, or as mutually agreed to by both Parties to evaluate instructional and programmatic activities, identify problems, issues and challenges that arise; and make recommendations regarding more effective coordination and collaboration. The Steering Committee will make reports, at least annually, to the Parties' respective boards that provide data, highlight successes, and outline plans for improvement. The Steering Committee will consist of the Executive Director for Secondary Schools, ECHS Principal/ECHS Director, ECHS Counselor or designee, the College President or designee, the Alamo Colleges District Vice Chancellor for Academic Success or designee, the Alamo Colleges District Director of High School Programs, the College Coordinator of High School Programs, and other appropriate personnel as identified by both Parties. The TEA designation Blueprint document for Texas Early College High Schools, under Benchmark 3, requires that both the College and the Public Charter produce and publish meeting minutes and agendas on the ECHS web site. The notes must contain action items and a log of the decisions made by this committee. A subset of the Committee may meet more often to satisfy the organizational needs of the ECHS.

- c. The ECHS Staff will include a Principal / ECHS Director with scheduling, hiring, and budget autonomy, a counselor, support staff, teachers, and any other Public Charter staff assigned to the Program as determined by the Public Charter. Any school nurse and security personnel, as the Public Charter may determine to be required for its students, are the responsibility of the Public Charter. The Public Charter, in collaboration with the College, will provide appropriate Disabled Student Support Services as stated in Section 2 – Applicable Law and Section 4 - Disability Support Services herein. The staff will be comparable, based on enrollment, to other high schools within the Public Charter. In the process of hiring, the College will provide a representative to participate on the search committee of the ECHS Principal / ECHS Director. The College will provide a College Coordinator of High School Programs who will interact directly and frequently with ECHS staff and administrators.

## **6. MARKETING AND CO-BRANDING**

- a. Partnership Recognition. Marketing materials should acknowledge the partnership between the Public Charter and the Alamo Colleges District. The preferred language is XYZ ECHS, “at”, or “with”, or “in partnership with” “College name – Alamo Colleges District.” At minimum, the official name must include that of the specifically accredited individual college to assure compliance with SACSCOC accreditation standards. The official name must also include the name Alamo Colleges District to assure compliance with the Alamo Colleges District brand standards. The Parties agree that the official name of the ECHS shall be the Frank L. Madla Early College High School New Frontiers - Palo Alto College - Alamo Colleges. The official name of the ECHS shall be used, at minimum, in the letterhead of the ECHS, the business card of its Principal / ECHS Director, all of its press releases, any references to the ECHS in ISD announcements (including graduations) or board minutes, at least one sign affixed to its building, and any other campus signage referencing the ECHS.
- b. Official Logo for ECHS. Permissible logos and brand standards to co-brand will be jointly developed by the Alamo Colleges District and the Public Charter. However, there will be a minimum requirement that such logos must contain the logo of the participating College, consisting of the stylized image of The Alamo in the College-specific color above the full College name, with “Alamo Colleges District”, adhering to Alamo Colleges District branding standards.
- c. Brand Standards. The Parties agree to abide by any brand standards and approval process defined by each party.
- d. Media and Press. The College and Public Charter hereby agree that each may issue a press release or releases related to this MOU. These may be developed collaboratively or individually, but each party shall pre-review its own releases with the other party.
- e. Secondary Partners. The College acknowledges that a Public Charter may partner with multiple partners in an ECHS venture. However, because the designation of the ECHS from the Texas Education Agency (TEA) is dependent upon the partnership and participation of the College alone, the College is considered the sole partner, and as such, any names, logos, and

references to/of secondary partners should not be included in the official/legal name of the ECHS or the official logo of the ECHS.

- f. Intellectual Property. Each party retains ownership of its intellectual property, such as trademarks and copyrights, but grants a license to the other party to use its logos and slogans for the purposes of promoting awareness of the ECHS partnership or model throughout the community. Any material misuse by either party of the intellectual property of a party to this MOU shall be resolved by negotiations between the Parties, but if not so resolved shall be grounds for, without limitation, termination of the MOU by the aggrieved party.

## **7. COMMUNICATIONS**

- a. To adhere to the requirements set forth by the TEA in the ECHS designation Blueprint, as well as those listed in the goals outlined in House Bill 1638 (“HB1638”) passed during the 85<sup>th</sup> Texas Legislative Session, Regular Session, and codified in the Texas Education Code, Section 28.009 (b-1) and (b-2), the College and the ECHS will ensure that documentation summarizing collaboration and outreach efforts of College, ECHS and business partners will be readily available and posted.

## **8. PARENT INVOLVEMENT AND OUTREACH**

- a. The Public Charter will take the lead on parent involvement and outreach efforts to ensure parents understand the ECHS concept that students are earning college credits which may have long-term ramifications on their college careers and federal financial aid eligibility. High-level behavior and academic standards are expected of ECHS Students and parents are expected to be involved in the program. The Parties may agree that College representatives may be involved in recruitment events.
- b. Public Charter personnel, counselors, and administrators will be responsible for all communication with parents. The ECHS will communicate to the parents of ECHS Students that any questions or concerns from parents should be directed to the ECHS Principal / ECHS

Director or Counselor. The College personnel will not be expected to communicate with parents.

- c. FERPA is a federal law designed to protect the privacy of educational records, to establish the right of students to inspect and review their educational records and to provide guidelines for the correction of inaccurate and misleading data through informal and formal hearings.
- d. FERPA allows the release of certain student record information without specific consent under certain conditions, but does not require it. If required, general disclosures are made, one such exception is called “directory information.” Items that may be released are called directory information. The Alamo Colleges District has classified these items as directory information: student’s name, dates of attendance, major, classification, enrollment status (full-time or part-time), previous institution(s) attended, degree(s) awarded, academic honors/awards.
- e. College staff are prohibited from discussing or disclosing any information specific to students’ grades, conduct or other related matters with individuals other than the student or staff in the ECHS. The ECHS Student must submit a FERPA Consent Form to the College’s Admissions and Records Department to authorize the College, by signature, to discuss the ECHS Student’s record information, including grades, conduct or other related matters.
- f. An electronic version of the FERPA Consent Form may be obtained at: [https://www.alamo.edu/siteassets/sac/about-sac/compliance/ferpa\\_consent\\_form.pdf](https://www.alamo.edu/siteassets/sac/about-sac/compliance/ferpa_consent_form.pdf)
- g. The ECHS will provide parents with information on services that are available by the College Disability Support Services. Services vary from those required by and provided by the ECHS.

## **9. BUILDING A COLLEGE CULTURE**

The Public Charter, in collaboration with the College, will establish a learning community that blends high school and college, instilling a college-going culture among the participating students.

- a. The 86<sup>th</sup> Texas Legislative Session passed SB 1324 stating that a student enrolled in dual credit courses shall file a degree plan with the College at the end of the second regular semester or term, immediately following the semester or term in which the student earned a cumulative total of 15 or more semester credit hours for dual credit courses successfully completed by the student.
- b. A four-year crosswalk will be developed to demonstrate students’ progress toward their selected plan of study, including alignment of high school and college level courses. The selected plan of study will outline the required courses toward applicable certificate programs, associate degrees, or a baccalaureate degree. The ECHS Student and College Advisor will meet and design a degree plan that will be submitted into the College’s system of record.
- c. The ECHS Students will gain college-readiness skills through a program identified by the Public Charter. The College may provide the Public Charter resources during the regular school schedule to support college-readiness preparation.

- d. The ECHS Student will participate in dual credit courses receiving both high school and college credit.
- e. The ECHS Students will have the same access to student services and facilities as regular college students, including but not limited to the use of academic and support facilities including the library, computer labs, study rooms, student services, bookstore, and food services. A College identification card is required for specific services, so students should carry their identification card at all times. It is recognized that ECHS Students may gain access on the College campus to the unrestricted internet access afforded to our non-dual credit College students. See Student Safety section herein.

## **10. RECRUITMENT**

The Public Charter, through the ECHS, will recruit 8<sup>th</sup> graders annually for the incoming 9<sup>th</sup> grade class.

- a. The recruitment process may include:
  - i. The establishment of a recruitment website or link at Public Charter's website that will provide recruitment and admission information;
  - ii. A presentation of recruitment/admission materials made to all 8<sup>th</sup> grade students;
  - iii. Meetings with middle school counselors, as applicable, to discuss the ECHS and answer questions;
  - iv. Student/parent meetings are held at middle school campuses so the ECHS can explain the opportunities and commitment required of ECHS Students, as well as possible consequences that a student may experience as a result of course withdraws, failures, retaking courses and taking excess hours beyond their degree or program requirements.
  - v. Development of recruitment and admission information presented in both English and Spanish.
  - vi. The selection process will include an information meeting with the student and parent(s) to explain the expectations required for success.
  - vii. The College will require all ECHS Students to submit a Student/Parent Consent form upon entry into the program. The ECHS shall have each student and a parent sign the consent form defining the requirements and expectations of the ECHS program. The ECHS will maintain all consent forms documents and provide an electronic copy of said to the College.

- viii. To adhere to the requirements set forth by HB1638, the College and the ECHS will implement purposeful outreach efforts to inform all students and parents of the costs and benefits of Dual Credit programming.
  
- b. The ECHS plans to add a cohort appropriate for the school's capacity, but not to exceed 150 students in grade 9 on a yearly basis, with a maximum enrollment not to exceed 600 students in grades 9-12. Any increase to these maximums must be mutually agreed upon by the College and the ECHS following consideration of all financial and other resource requirements. Any changes to the incoming cohort maximum must be agreed upon in writing and documented through a mutually signed Addendum to this MOU. Students may not be added to any cohort following enrollment in the first semester of the 10<sup>th</sup> grade, unless the College and Public Charter specifically agree in writing to an exception in unusual, extraordinary or unexpected cases. All exceptions will be documented and maintained by the College. Should an ECHS Student request to take courses outside the prescribed degree plan or not at the same time as their cohort, the student will be responsible for all the associated expenses related to the said courses. These courses may only be taken during the summer term.
  
- c. ECHS Students will participate in college placement testing and a transitional bridge program preceding their freshmen year.
  
- d. The Public Charter and College will establish a set of expectations in students' 4-Year High School / College plan of study and necessary support systems to ensure that students demonstrate college-readiness by meeting the new version of the Texas Success Initiative (TSIA2) placement score requirements and course pre-requisites one semester prior to the prescribed sequence detailed in the plan of study.
  
- e. Regarding student transfers into the ECHS, after the beginning of Grade 9, below are considerations that the College and the ECHS will ensure:
  - i. The ECHS will allow student transfers, with mutual consent between the ECHS and the College.
  - ii. The College and the ECHS will review the individual situations, taking into consideration that the transfer student demonstrates college-level readiness in reading and writing, and is able to satisfy the requirements in the prescribed degree plan.
  - iii. Generally, students may not transfer later than the first semester of the 10th grade in order to satisfy all degree requirements in the time remaining in their high school tenure.
  
- f. ECHS Students must meet the TSIA2 course and degree plan requirements and abide by the College's placement scores, policies, and prerequisite requirements.
  
- g. The ECHS is responsible for ensuring that all ECHS Students have up-to-date Bacterial Meningitis documents on file in their student records throughout time they participate in the ECHS. The ECHS will safeguard all vaccination documents and provide an electronic copy of said to the College upon request.

- h. ECHS Students seeking a Bacterial Meningitis vaccination waiver may generate, print and submit the Conscientious Exemption Affidavit electronically by accessing: <https://corequestjc.dshs.texas.gov>.
- i. The ECHS enrollment team will include, at a minimum, the Public Charter ECHS Principal / ECHS Director, ECHS counselor, teachers and a college representative as requested by the ECHS to participate.

## 11. CURRICULUM

- a. The ECHS shall administer the TSIA2 college placement exam to all prospective students no later than the fall of the 9<sup>th</sup> grade year, abiding by the rules set forth by the College Board. Students must attain TSIA2 scores aligned with the courses in their selected program of study to ensure appropriate college level placement, no later than the spring of the 10<sup>th</sup> grade year, to assess college readiness, design individual instructional plans, and enable students to begin college courses based on their performance.
- b. The ECHS shall implement a plan for TSIA2 success, including academic preparation classes for accepted students and academic interventions for students who do not pass TSIA2, which interventions shall occur before retesting. The ECHS shall make any TEA required TSIA2 reports regarding the number of students who have currently passed each section of the TSIA2, including a breakdown of TSIA2 data for subpopulations of targeted students. The ECHS will share the report with the College Coordinator of High School Programs or College Designee.
- c. The Public Charter will share the results from TSIA2 administered via ISD/College Board-approved-test-sites and submit to the College in the required technical format that facilitates official delivery/receipt. The TSIA2 scores will be electronically uploaded into the College's official system of record. The College agrees to adhere to the confidentiality requirements set forth by FERPA. The College will use students' TSIA2 assessment score data exclusively for official College business.
- d. The primary emphasis on the ECHS degree plan is on the program requirements for the Associate of Arts, Associate of Science or Associate of Applied Science. Some Colleges may offer students the option to earn college-level credit toward Certificates that are aligned with an AAS degree. By December 1<sup>st</sup>, the ECHS will select a defined plan of study for its freshmen cohort that students must follow in the prescribed sequence. The courses will be evaluated and approved through the official College curriculum approval process and shall be taught at the College level.
- e. The Public Charter and College will develop either a two-year or four-year course of study plan (grades 9-12) that meets the requirements of Applicable Law, provides a seamless transition for students from grade level to grade level, allows students to transition from a majority of high school classes in grades 9 and 10 to a gradual integration to college-level classes during latter years in their high school tenure, and represents high levels of rigor, acceleration, and

- support. The College Academic Discipline Chairs or Faculty Liaison, along with the Principal / ECHS Director or ECHS designee, will be responsible for working with ECHS faculty to develop and refine a clear and coherent academic program across the two institutions for curriculum alignment. The ECHS curriculum for dual credit courses will include principles of leadership with the same curriculum and at the same level it is included in the College's curriculum.
- f. The 86<sup>th</sup> Texas Legislative Session passed SB 25, which states each institution of higher education shall develop at least one recommended course sequence for each undergraduate certificate or degree program offered by the institution. Each recommended course sequence must:
- (1) Identify all required lower-division courses for the applicable certificate or degree program;
  - (2) Include for each course, if applicable:
    - (A) The course number or course equivalent under the common course numbering system approved by the coordinating board under Section 61.832; and
    - (B) The course equivalent in the Lower-Division Academic Course Guide Manual or its successor adopted by the coordinating board;
  - (3) Be designed to enable a full-time student to obtain a certificate or degree, as applicable, within:
    - (A) For a 60-hour degree or certificate program, two years; or
    - (B) For a 120-hour degree program, four years; and
  - (4) Include a specific sequence in which courses should be completed to ensure completion of the applicable program within the time frame described.
- g. The Southern Association of Colleges and Schools Commission on Colleges (SACS-COC) approved a policy statement in December 2018 that directed its institutions to ensure that course content and rigor of dual enrollment courses be comparable to that of the same courses taught to the institution's other students.
- h. To adhere to the requirements set forth in the ECHS designation Blueprint, as well as those listed in the goals outlined in HB1638, the College and the Public Charter will maintain course agreements for each course taught at the ECHS, regardless of instructional site. The College will provide the college course outcomes in the Course Agreement Form through the respective syllabi. The form will include the length of the course, number of credits awarded, and approved textbook(s) and/or instructional materials that will be required for ECHS Students to use in their respective courses. The course agreement requirement for ECHS extends to designation of academic and workforce courses for Traditional Dual Credit and ECHS. College, Public Charter and ECHS shall ensure that a dual credit course and the corresponding college course offered at the ECHS are equivalent. Academic representatives from the College will develop and publish the student learning outcomes in the course syllabus to satisfy the requirements each College course. The Public Charter and the ECHS will identify the corresponding Texas Essential Knowledge and Skills that align to each College course, thereby allowing students to attain dual credit from both institutions.

- i. The 86<sup>th</sup> Texas Legislative Session passed HB 3650 which requires that the Public Charter and the College to consider the use of free or low-cost open educational resources in courses offered as dual credit, for which the ECHS program uses as part of its course offering to satisfy the prescribed courses in the degree plans.
- j. The College and District will complete Course Agreements prior to the beginning of each Fall semester for each course currently offered as Dual Credit. Course Agreements will include any additional instructional requirements, any required faculty development/training, and the requirements for evaluation of teaching. The Course Agreement will be effective for three academic years unless either party requests a modification or the Course Materials change. For course sections taught at the ECHS, the College will maintain the same Course Materials and textbook editions for Dual Credit courses taught at the high school campus for a minimum of three academic years, unless otherwise specified in the applicable Course Agreement, Course Materials edition are no longer current, Course Materials are no longer available, or Course Materials no longer meet SLOs. The adoption of any course materials, print or electronic, after a Course Agreement is signed will require an agreed and signed addendum.
- k. Course Agreements will identify those College programs requiring more frequent textbook cycles than the otherwise applicable three-year cycle.
- l. ECHS Students may have their course load reduced should they encounter unusual circumstances occurring “once in a lifetime,” tragic in nature, or damaging the welfare of the student or family, which would prevent them from performing at their normal standard. A course reduction must be initiated and approved by the administrations of the College and the ECHS. A student may not initiate the course reduction.
- m. ECHS Students who would like to enroll in an online course, whether taken during the regular term or summer terms, must obtain the ECHS Principal / ECHS Director’s approval, as well as the designated College staff approval. Upon agreement from both the ECHS and the College, a current course agreement must be on file as part of the process to enroll the student into the requested course.
- n. Within the ECHS framework, students may earn the *Distinguished Level of Achievement diploma with Performance Acknowledgement* within a four-year timeframe and 60 credit hours or equivalent, as prescribed by the selected plan of study, towards an Associate degree and/or Baccalaureate degree. If applicable, students may also be certified as Core Complete as denoted in the College transcript awarded by the College.
- o. The College is responsible for involving teaching faculty in the process of selecting and implementing College courses. This includes ensuring that course goals and standards are understood and that the same standards of expectation and assessment are applied where College courses are offered, to include departmental exams and student learning outcomes. ECHS Students will participate in college-level work and will be subject to material deemed

- college level. The Public Charter and ECHS are aware that the content in college level courses may contain topics intended for mature audiences or adult age groups. The College Academic Discipline Chairs and associated Deans or Vice Presidents of Academic Success will monitor the quality of instruction in order to ensure compliance with the Student Learning Outcomes (SLOs) and the standards established by Applicable Law, SACSCOC, the College, and the Public Charter.
- p. If a student fails a course, any retake will be outside the regularly scheduled academic plan and all Early Admission requirements will apply. Tuition and any applicable fees will, where the Public Charter agrees to pay on behalf of the ECHS Student, be invoiced to the Public Charter as fiscal agent. Otherwise, the ECHS Student will be treated as a student with the Early Admissions status, thereby making the ECHS Student responsible for all corresponding tuition and fees.
  - q. The College will utilize various programs that are either system- or computer- based in both face-to-face and online learning environments. These resources are intended to support learning and meet the Student Learning Outcomes that comply with requirements from SACSCOC and state standards. The Parties will convene to discuss and determine all relevant system requirements for each course. The Public Charter will ensure technology access and resources are available to the ECHS Students so they can access the content of the required courses and resources. The Public Charter will cooperate with the college to ensure necessary technology is available for the most robust and comparable delivery of college courses.
  - r. The Public Charter shall be responsible for ensuring that high school curriculum courses will meet the requirements of the Texas Essential Knowledge and Skills (TEKS) and all other law applicable to Texas Public Charters and that Public Charter students are able to meet all high school graduation requirements, including all End of Course examinations, while earning college credit. Public Charter will be responsible for monitoring and ensuring the quality of instruction for the exclusive high school credit courses offered by the ECHS. The College will be responsible for developing, maintaining, and ensuring the Student Learning Outcomes (SLOs) are met and the quality of instruction for the college course(s) is rigorous.
  - s. To enroll in any college-level course, ECHS Students must meet all of the regular College-course prerequisites. The College and Public Charter will assess each student for overall readiness to engage in any college-level course, and any out-of-pocket costs of same shall be borne by the Public Charter. Based on such assessment, the College Coordinator of High School Programs and the Principal/ECHS Director/Counselor will determine what forms of assistance and remediation may be needed by a student in order to meet enrollment requirements for any college-level course.
  - t. ECHS Students will be subject to the same academic policies and procedures as students enrolled in the College. This includes, but is not limited to, the Academic Probationary, Dismissal, Withdrawal and Grievance policies and procedures of the Alamo Colleges District.

Refer to the College's catalog under the Academic Standards for specific information:

## 12. ADVISING

To adhere to the requirements set forth by the TEA in the ECHS designation Blueprint, HB1638, and the Dual Enrollment Policy Statement approved during the SACSCOC December 2018 annual meeting, and legislative bills passed during the 86<sup>th</sup> Texas Legislative Session, the College and the ECHS will provide academic advising as listed herein.

- a. The 86<sup>th</sup> Texas Legislative Session passed SB 1324, which states that a student shall file a degree plan with the college not later than:
  1. the end of the second regular semester or term immediately following the semester or term in which the student earned a cumulative total of 15 or more semester credit hours of course credit for dual credit courses successfully completed by the student; or
  2. if the student begins the student's first semester or term at the college with 15 or more semester credit hours of course credit for dual credit courses successfully completed, the end of the student's second regular semester or term at the college.
- b. SB 1324 further states that a student enrolled in a multidisciplinary studies associate degree program must meet with an academic advisor to complete a degree plan and account for all remaining credit hours required for the completion of the degree program. The College staff and the ECHS Student must also account for the student's transition to a particular four-year college or university that the student chooses and preparations for the student's intended field of study or major at the four-year college or university.
- c. Through the ECHS counselor(s), each student will receive advising on the five high school endorsements. The College will provide information on AlamoINSTITUTES appropriate to the student's selected career pathway. Each student will select a high school graduation and college degree plan. Information on the AlamoINSTITUTES can be found at: <https://www.alamo.edu/enroll/plan/>.
- d. The 86<sup>th</sup> Texas Legislative Session passed SB1276, which requires that the College establish advising strategies and terminology related to dual credit and college readiness. The College and the Public Charter will provide the alignment of endorsements described by Texas Education Code Section 28.025(c-1) offered by the Public Charter, and dual credit courses offered under the agreement that apply towards those endorsements, with postsecondary pathways and credentials at the institution and industry certifications.
- e. The ECHS Counselor, College Advising Staff and College Coordinator of High School Programs will assist students to register for courses that may count toward the degree at the 4-year university of choice or a degree or certificate from the College.

- f. The Alamo Colleges District Transfer Advising Guides (“TAGs”) are available resources to provide students with information for transfer pathways while minimizing loss of credits in transfer. Transfer Advising Guides depict a degree plan from a University in the Alamo Colleges District Transfer Compact. The Transfer Advising Guides can be found at: <http://myalamocatalog.alamo.edu/content.php?catoid=214&navoid=15815>. The documents delineate the courses that are offered at the Colleges of the Alamo Colleges District. They provide valuable information about special requirements or considerations for transfer. Transfer Advising Guides are intended for advising purposes only and not an exhaustive list to be applied to all academic transfer situations. While the Alamo Colleges District maintains articulation agreements with universities in the Alamo Colleges District Transfer Compact, the College, Public Charter and ECHS Students are highly encouraged to communicate with the intended transfer institution to minimizing loss of applicable college course credits.

### **13. COURSE MATERIALS**

The Public Charter will provide all required “Course Materials” including: textbooks, syllabi, course packets, and other materials needed for enrollment to classes for high school graduation credit and college-level courses to students.

The Course Agreement Form includes a course syllabus that identifies the Course Materials required for a course. Course Materials are all varieties of materials used for course instruction, including textbooks. “Instructional Materials” are a subset of materials that are defined as electronic or paper materials that will be used during a course where the Public Charter will be invoiced by the Alamo Colleges District Business Office.

All Course Materials utilized in each course must be equivalent to those used in courses taught at the College campus. Any deviation from the approved Course Materials must be reviewed and approved by the designated College Academic Discipline Chair prior to the start of the first instructional day.

Instructional Materials charges are determined by the respective College discipline based on how and where the course is taught.

- a. Courses taught at the ECHS:
  - i. As part of the Course Agreements, the College includes the Instructional Materials charge, if applicable, or other required materials for courses.
  - ii. Instructional Materials charges are applied every semester on courses that specify the need for said charges.
  - iii. The Instructional Materials selections will be maintained until the course SLOs or the content for the course changes.
  - iv. Any revisions will be documented and signed by Parties in an amended Course Agreement. Revisions will be denoted by the sequential number of the revision(s) per Course Agreement.
  - v. The College’s Academic Departments operate on a textbook adoption cycle and should be considered at the time a course is requested.

- b. Courses taught on College campus or online:
  - i. The College includes the Instructional Materials charge as part of the Course Agreements.
  - ii. Where a teacher cannot be identified by the College and ECHS, the ECHS will cancel the section and the Parties will identify a substitutable course to ensure that the cohort of students can remain on track to graduate with the selected degree plan.
- c. ECHS enrollments in regular college sections
  - i. The College will follow the Guidelines for Selection of Instructional Materials for all courses. College will let ECHS know the requirement for each course considered for ECHS enrollments.
  - ii. IM Direct are electronic materials codes required of each student and required for enrollment in the class. If the College uses IM Direct for any courses, the ECHS must be notified at the time discussion for dual credit enrollments are underway.
  - iii. The College will communicate any changes in IM, including IMDirect, to the ECHS by the second full week of April for the following fall, unless the change in course occurs after the second full week of April. In the event IM will change for the term, the College will notify the ECHS by the first full week of September.
  - iv. The College and ECHS will discuss the required IM materials before agreeing to enroll students in the college section.
- d. Enrollment of ECHS Students in regular college sections is acknowledgement of agreement to required IM.

The designee of the College High School Programs will meet with the Public Charter or ECHS prior to enrolling students into courses and inform the Public Charter of any courses that will have an Instructional Materials charges attached that the Public Charter must cover. At the time students are enrolled in an ECHS course, the Public Charter approves the IM requirements for the course. The Public Charter will be invoiced for the cost of the IM Direct.

The ECHS will use the Course Agreement Forms to determine IM. When IM requirements change for courses taught at the College, the College will notify the ECHS and Public Charter by the second full week of April for fall terms and by the last Friday of October for spring terms, unless the change in course occurs after said dates due to unforeseen circumstances. Enrolling students in classes is acknowledgement of required materials for a course. This affords the Public Charter ample time to secure the required course materials and conform to their respective Public Charter board policies. The Public Charter will ensure that all ECHS Students, whether enrolled in courses at the ECHS or the College, will have the required course materials by the first instructional day.

#### **14. FACULTY**

- a. All instructors teaching ECHS courses for college credit must meet the College's academic requirements as outlined by SACSCOC Faculty Credentialing requirements, as determined by the College. All instructors teaching dual credit classes at the ECHS must be approved as faculty by the College prior to teaching dual credit courses. The same credentialing process

used by the College will apply for all dual-credit faculty as for College faculty teaching regular credit courses.

- b. The Alamo Colleges District maintains policies and procedures, accessible at: <https://www.alamo.edu/about-us/leadership/board-of-trustees/board-policies/>. Particularly relevant are sections E, F and H.
- c. When unforeseen situations arise and the instructor scheduled to teach a course for the College cannot deliver instruction through the entirety of the scheduled course, the ECHS Principal or ECHS Director will immediately notify the College's Office of High School Programs. The College, as per SACSCOC guidelines, must identify a credentialed instructor that can teach the remainder of the college course. An instructor that has not been credentialed and approved by the College may not serve as a substitute to teach the remainder or any portion of a college course. If the instructor identified by the College to teach the remaining portion or any portion of the course is employed by the College, the Public Charter will be responsible to pay the College for the time of the identified instructor.
- d. The Public Charter will provide the instructors for all high school courses at the ECHS. Instructors teaching high school dual credit courses will be either high school teachers credentialed by the respective College Academic Discipline Chairs adhering to SACSCOC guidelines or faculty from the respective academic discipline at the College. The cost-sharing model approved by the Alamo Colleges District Board of Trustees is based on which party pays the instructor. Please refer to Section 29 - Fiscal Matters herein. The Public Charter is highly encouraged to hire teachers approved by the College as adjunct instructors to teach dual credit courses. The Public Charter is encouraged to provide incentives to have instructors earn the college hours required for qualification and should coordinate approval of eligibility with the College.
- e. The Public Charter will provide official written notice to the College by the second Monday in April of any need for college credentialed instructors in specific academic disciplines to fulfill the ECHS plan(s) of study. The College will then conduct a review to identify faculty from the respective academic discipline to teach at the ECHS or assist in identifying a credentialed instructor to fill the identified need from the ECHS. If the College identifies an instructor from their faculty or hires an instructor to fulfill the needs of the ECHS, the Public Charter will be invoiced as outlined in Section 29 - Fiscal Matters herein. If the College is unable to find a qualified college credentialed instructor by the second Monday in July, the Parties will convene to address the faculty concern and develop an agreeable plan. The meeting notes will address the faculty concern and provide an alternate solution that may include an alternate course with an identified and appropriately credentialed faculty to teach the course. The agreement will be acknowledged in writing by all Parties and signed copies will be provided to the College and the Public Charter.

- f. Faculty who need to request accommodations under the American’s With Disabilities (ADA) Act may contact the Alamo Colleges District - Human Resources Department via email at [dst-HREEO@alamo.edu](mailto:dst-HREEO@alamo.edu).
- g. Student evaluation of instruction takes place each semester and will be a part of the ECHS faculty annual evaluation process. Performance evaluation of all dual-credit faculty will adhere to College and Academic Division protocols and schedules as it pertains to all other College adjunct faculty, per SACSCOC requirements. The performance evaluations conducted by the College are independent from those required by the Texas Education Agency.
- h. ECHS faculty teaching dual credit courses will teach using the respective course syllabus that contains the Student Learning Objectives (herein referred to as “SLOs”). ECHS faculty must upload course syllabi onto Concourse, the College’s official reporting system. As each course at each ECHS has specific Course Agreement Forms, please refer to the individual agreements for TEKS alignment of objectives to the college SLOs.
- i. Instructors’ Dual Credit classes may include both ECHS and traditional dual credit students. Dual Credit students constitute those in traditional Dual Credit or ECHS.
- j. At the end of each semester, ECHS faculty must submit the End of Semester Clearance report to the designated College Academic Discipline Chair by the final grades deadline.
- k. To adhere to the requirements outlined in House Bill 2504 (“HB2504”), the ECHS faculty will publish a curriculum vitae that will include post-secondary education and teaching experience on the official system of record where the course syllabus taught by said ECHS faculty are maintained.

## **15. PROFESSIONAL DEVELOPMENT FOR NON-INSTRUCTIONAL HIGH SCHOOL STAFF**

The Public Charter will provide the ECHS staff designated to providing guidance to students on courses yielding dual credit and/or enrolling students into dual credit courses with time to attend a series of workshops to be offered during the summer months *or* the regular Academic Year. The professional development workshop series will include crucial issues impacting students taking dual credit college level courses while in high school, including selecting courses leading to the student’s goal, implications of taking college courses, and transferability of courses to upper level institutions for specific academic programs. The workshop will include terminology, career guidance, and resources similar to that used by the College Advisors. The intent of the sessions is for the ECHS staff to provide structured guidance to students and their parents regarding decisions students will make that impact their college experience and accumulation of semester hours. The workshops will be delivered in a hybrid format, as some segments will be delivered in a face to face format, while other segments will be delivered online. Periodic update sessions may be required. Staff from the Colleges and the Alamo Colleges District will deliver the sessions and will work with the Public Charter to identify the times for the sessions. The ECHS will provide the time

for personnel to complete the professional development and the College and Alamo Colleges District will provide the sessions.

## **16. PROFESSIONAL DEVELOPMENT FOR ADJUNCT INSTRUCTORS FROM THE ECHS**

The College and Public Charter will provide professional development opportunities to their respective employees in accordance with their respective institutional policies. Learning and collaboration will be organized and facilitated by the ECHS and the College designee. The College will provide professional development in critical thinking, leadership, student engagement, and other areas deemed necessary.

The Public Charter will provide ECHS teachers hired as adjunct instructors the necessary time to participate in professional development identified by the College. Adjunct Instructors are required to take equivalent professional development as Instructors who teach exclusively for the College. In instances where adjunct faculty are contracted outside the hiring deadlines, the College Academic Discipline Chair will assign a faculty in the academic discipline to assist during the first college semester transition.

## **17. ECHS CALENDAR**

The ECHS course schedule will be determined by the location of the course delivery, provided that the required contact hours and prerequisites are first met.

The instructional calendar for the high school portion of the ECHS will be based on the Public Charter calendar and comply with all related TEA regulations for school attendance. The Public Charter will adjust its schedule as necessary to enable ECHS Students to enroll in and attend the college-level courses provided by College. The Public Charter and College will coordinate the testing requirements of the students to ensure students may take all required State examinations without penalty. When the ECHS is based at the Public Charter, it may be necessary for its students attending dual credit courses at the College to attend classes on days when the Public Charter ECHS facility is closed (*e.g.*, different within-term holiday closures). During days when the two institutions are out of alignment on days of operation, and students must attend classes that are in session at the College site, the Public Charter will provide at least one staff member with administrative authority to be on call and available to be reached by the College in case of emergency. The designated ECHS staff member will have access to student records, specifically those that include emergency contacts for ECHS Students participating in college courses taught at the College.

All ECHS Students are required to participate in required state, national assessments, which will be administered by the ECHS staff. College agrees to make accommodations in course scheduling, including final exams, and attendance so that ECHS Students are not penalized in their college credit courses for their participation in the required state, national assessments. While the College agrees to make accommodations for required state assessments, including the STAAR and End of Course Exams, all contact hour requirements must be met. For assessments not mandated by the state, the College and Public Charter will come to a mutual agreement on administration dates in order to appropriately manage disruptions of college courses and ensure contact hour requirements.

## **18. ACADEMIC POLICIES**

- a. The academic policies of the Public Charter and College shall apply to all students enrolled in the ECHS as applicable.
- b. ECHS Students are expected to meet academic standards (including academic progress) for College coursework. Semester grades and grading policies shall be outlined in each instructor's course syllabus. College grades are awarded on a 4.0 scale at the College. The High School will convert the college course grades according to its grading procedures. ECHS Students will be informed by the instructor of academic progress/grade status at the third week and at mid-semester. Students struggling to maintain a passing grade will be provided with options by their corresponding faculty and be advised by their College advisor or the ECHS counselor to withdraw from the College course in order to avoid future problems related to admissions, financial aid, and scholarships. Withdrawal from the College course does not result in a withdrawal from the high school course. The ECHS personnel are responsible for advising ECHS Students concerning academic progress in high school and college courses. The ECHS staff and the College designee are responsible for advising and monitoring these actions.
- c. Students who begin any semester term in Good Academic Standing, but fail to maintain a cumulative institution GPA of 2.0 or higher are placed on Academic Probation. Notification of probationary status is communicated electronically through students' ACES email addresses. Academic Probation status is cleared when students earn both term and cumulative 2.0 institution GPA and return to Good Academic Standing. Students who fail to earn a minimum term institution GPA of a 2.0 while on Academic Probation (cumulative institution GPA remains below 2.0) will be placed on Academic Dismissal. The College Catalog provides details on the Academic Standing Policy. Academic policies are accessible on the College's eCatalog website at <https://mypaccatalog.alamo.edu/content.php?catoid=173&navoid=10926>.
- d. Students taking courses for dual credit must be enrolled in courses coded as "Dual Credit" in the ECHS' student information system.
- e. The College, in fulfillment of SACSCOC requirements, will develop the off-site notification and substantive change notification letter and submit to SACSCOC upon notice that the ECHS has received its designation from the TEA. Subsequently, the College will begin the process of creating the corresponding prospectus to outline the degree requirements that the ECHS will pursue. The Public Charter and ECHS will assist the College by providing relevant information supporting the SACSCOC processes, including, but not limited to, information on the campus facilities, computer lab descriptions, square footage of facility, a list of faculty teaching dual credit courses, and relevant courses taught to fulfill the requirements toward the selected degree plans for the ECHS.

## **19. STUDENT SAFETY**

The Parties agree that when an ECHS Student expresses to any College employee a suicidal intention or a threat of physical harm to others, the College will follow the protocols listed

in the Strategies of Behavioral Intervention (SOBI). SOBI resources can be found at: <https://www.alamo.edu/about-us/compliance/strategies-of-behavioral-intervention---sobi/>. The SOBI will be modified to include specific information addressing ECHS Students prior to the effective date of this MOU.

When on the College campus, ECHS Students will follow the policies and procedures of the College to ensure the safety and well-being of the fellow classmates, faculty, staff and visitors. The Colleges will develop standard protocols for various emergency situations.

To ensure safety precautions, the College enrolls all students, faculty and staff, including ECHS Students, into the Alamo Colleges District Alamo Alert system. These messages are sent to all groups mentioned via the College email, robocalls and text messages to the telephones listed in the Alamo Alert system. For additional information regarding the Alamo Alert system, visit: <https://www.alamo.edu/about-us/our-district/contact-us/emergency/alamo-alert/>.

Alamo Colleges District is subject to legislation requiring it to allow licensees to carry concealed handguns on its campuses effective August 1, 2017, and ECHS Students will potentially encounter license holders availing themselves of this privilege. Any notice of these facts to parents of ECHS Students will be the responsibility of the Public Charter.

ECHS Students traveling for College events will be required to sign an Alamo Colleges District General Participation Release as a condition of participation as are all students from each of the Colleges of the Alamo Colleges District.

## **20. STUDENT ATTENDANCE POLICIES**

ECHS Students are required to maintain regular and punctual attendance in class and laboratories to meet the required number of contact hours per semester. Absences, dismissal of classes, and early release (except in emergency or inclement weather, when permitted by Applicable Law, or when related to state-mandated assessment days) shall be avoided. For additional information on the College attendance policies, please refer to the College's Course Catalog at <https://mypaccatalog.alamo.edu/content.php?catoid=197&navoid=13012#Attendance>. ECHS Students will adhere to Public Charter attendance policies as well as those from the College.

## **21. STUDENT CONDUCT**

ECHS Students are required to adhere to Public Charter and College policies, procedures, and regulations regarding facilities and equipment usage and both Public Charter and College codes of student conduct as well as the Alamo Colleges District Student Responsibility for Success Policy. All disciplinary action, including suspension and dismissal from ECHS, shall be in conformity with the Codes of student conduct of the Parties. All ECHS Students will be provided access to the Alamo Colleges District eCatalog, Student Code of Conduct, Student Handbook, and Title IX / Clery Act materials in the same manner as all other students enrolled in the College. For additional information on the College student conduct policies, please refer to the College's Course Catalog at <https://mypaccatalog.alamo.edu/content.php?catoid=175&navoid=10909>. In the event of a conflict between the policies of Public Charter and College, the Parties will collaborate to resolve any conflict. The Public Charter and the College will inform one other of complaints against an ECHS Student. The party which receives a complaint of non-academic misconduct may

investigate the complaint and reach a decision on responsibility for violations of the applicable student code of conduct but must notify the other party of sanctions before they are issued. Students who are in violation of policies and codes of conduct will, where appropriate, return to the Public Charter's high school, if any, and will not be allowed to return to the ECHS on the college campus. The Parties will cooperate fully with each other in any investigation involving student misconduct or conduct that threatens or potentially threatens the safety of others and the college campus, including the ECHS buildings. The Parties will cooperate fully with each other as necessary in all matters pertaining to complaints, grievances and appeals regarding student conduct issues. The definition of "cooperation" includes providing access to students or other persons who may be witnesses or persons with knowledge of relevant facts, including location of event. ECHS Students may be sanctioned the same as other College students and may be subject to exclusion from the college campus and college properties.

The Alamo Colleges District board policy F.4.5 states that Students who violate federal or state statutes, the Student Code of Conduct, College District policy, or other applicable requirements related to alcohol and drug use shall be subject to appropriate disciplinary action. Such disciplinary action may include referral to drug and alcohol counseling or rehabilitation programs or student assistance programs, suspension, expulsion, and referral to appropriate law enforcement officials for prosecution.

## **22. STUDENT SUPPORT SERVICES**

Both Parties will identify and collaborate on measures to assist those students who may not be performing satisfactorily to succeed. The Public Charter will assign a specific counselor or counselors to its ECHS who will provide academic guidance support to the ECHS Students. The ECHS will seek guidance from the College designee(s) in the areas of test preparation, tutoring, College Connection services, academic advising, and the development of an integrated support system for ECHS Students across the two institutions. Students will have access to the same or similar tutoring and other academic support as provided for other students in the Public Charter and College. To promote academic success, the Parties will provide academic support services as may be needed. The ECHS counselor and ECHS designee will work to ensure ECHS Students receive pertinent information regarding higher education, financial assistance, and assistance waivers for tuition and fees. As needed, each Party will assist families as they complete initial application and admission requirements per the respective organizations' processes. The Public Charter will be responsible for non-academic counseling services and the College is authorized, but not required, to provide emergency counseling intervention services. See section 4 – Disability Support Services.

ECHS Students may be assigned to off-site academic course assignments which would require the ECHS Student to travel to satisfy course objectives that

could include, without limitation, museum visits or job-site internships. ECHS Students engaging in any College-related, off-site travel must be transported by a parent, guardian, parent/guardian written designee, or Public Charter-sponsored travel arrangement; transportation by College, its employees or its non-ECHS Students is prohibited.

#### **24. STUDENT DATA SHARING**

Parties agree to share student data for ECHS purposes. Parties agree to regularly share data not otherwise available to the other party to ensure that data is current and has integrity, as both Parties use data for enrollment into courses, state reporting, financial matters, Title IX matters, student conduct and other official business related to the ECHS. Each Party shall also promptly notify the other of any onsite or offsite behaviors of ECHS Students known to the Party which threaten or cause harm to others, including, without limitation, violence, threats, weapons, sexual assault, sexual contact of minors, and Title IX complaints.

Parties agree to adhere to the confidentiality requirements set forth by FERPA and will encrypt the student data before it is transmitted electronically. As Parties are held to FERPA guidelines, each is entitled to student information from students that are shared under the condition of being school officials with legitimate educational interest and as appropriate officials in cases of health and safety emergencies. Notwithstanding the foregoing, ECHS shall coordinate signature of and collect the High School Programs Student/Parent Consent Form during the student on-boarding process.

The Public Charter will transmit the student data to a secure location mutually agreed upon by both Parties. The College will retrieve and delete the student data from the secure location so as not to expose any sensitive student information.
