

## DUAL CREDIT PROFESSIONAL DEVELOPMENT FOR TEACHERS

Training opportunities provided by Palo Alto College for ECHS faculty traditionally take place two to four times a school year at Palo Alto College.

The agendas change based on the needs at the time but below is one example:

- Session 1: 4:30 - 5:45 PM: Overview of College Resources, and updates from the college.
- Session 2: 6:00\* - 7:30 PM: Department specific meetings based on teaching discipline.

In addition to the offerings from Palo Alto College, New Frontiers is dedicated to providing our teachers with the support and training they require in order to be highly effective teachers.
